

V2 architecture

Dimensions and openings; furnishings omitted

MODEL BASIS

Latest user v2 SH3D controls the layout.
Walls and openings retained; small alignment repairs and duplicate surfaces documented.

HEIGHTS

8 ft: bedrooms and flexible room.
10 ft: main public rooms and primary wing.

DESIGN PROPOSALS

Island: approximately 8 ft × 4 ft 3 in.
Working aisles: approximately 4 ft.
Dining table shown at 7 ft 6 in × 3 ft 9 in.
Extended table requires a circulation review.
Primary vanity: one coordinated 6 ft unit.
Existing furnishings are not fixed selections.

THIS SHEET

Neutral source-derived architecture.
All three studies use the same architecture.

LIMITS

Door swings / assemblies are schematic.
Window heights and sills remain provisional.
Roof and pool depth are not defined.
Furniture outlines are planning footprints.
Dimensions are model-derived, not surveyed.
Not a construction or engineering drawing.
